

## Patch List: Just a few standards

### for Novation A-Station / K-Station / X-Station / KS series

by Christian Baum (feedback@bonsai-multimedia.de)

Many patches have been programmed with some modulation (modulation wheel and/or aftertouch). Only a few use the internal FX processor. Beef them up if you feel like it!

No.	Patch Name	Type	Notes
00	Ober bitte!	Pad	
01	Massive Sweepa	Pad	
02	Hollow Strings	Pad	
03	Big Octave Strings	Pad
